

## Curriculum Vitae

### Andrew Rosenblatt, Ph.D.

Neuropsychology  
Cedars-Sinai Medical Center  
444 S San Vicente Blvd, #103  
Los Angeles, CA 90048

Telephone: (617) 694-2517  
E-mail: andrew.rosenblatt2@cshs.org

---

## PROFESSIONAL EMPLOYMENT

---

### **Clinical Neuropsychologist** **06/2022 – Present**

Jona Goldrich Center for Alzheimer's and Memory Disorders  
Cedars-Sinai Medical Center, Los Angeles, CA

*Description:* Position is 80% dedicated clinical time, 20% dedicated research time. Administering comprehensive neuropsychological assessments in the department of Physical Medicine and Rehabilitation. Providing neuropsychological screenings and consultations in multidisciplinary clinics in the department of Neurology. Research focus is examining risk and protective factors for Alzheimer's and related dementias in sexual and gender minority populations. Supervising and training graduate students and postdoctoral fellows in clinical neuropsychology.

### **Clinical Neuropsychologist** **12/2021 – Present**

Kuhn Cognitive, Santa Monica, CA

*Description:* Administering comprehensive neuropsychological assessments for clinical and forensic purposes.

### **Research Project Advisor** **11/2021 – 06/2022**

Jona Goldrich Center for Alzheimer's and Memory Disorders  
Cedars-Sinai Medical Center, Los Angeles, CA

*Description:* Launching a program of research examining dementia in LGBTQIA+ individuals; establishing connections with local, state, and national LGBTQIA+ organizations; educating medical professionals on LGBTQIA+ affirmative care, providing psychoeducation to LGBTQIA+ community members on cognitive aging and dementia.

## PROFESSIONAL LICENSE

---

### **Psychologist (California) PSY32909** **2021 – Present**

Jona Goldrich Center for Alzheimer's and Memory Disorders  
Cedars-Sinai Medical Center, Los Angeles, CA

### **Licensed Psychological Associate (Texas), License #37784** **2017 – 2020**

## EDUCATION

---

### **Postdoctoral Fellowship in Adult Clinical Neuropsychology (APA Accredited)** **9/2021**

UCLA Semel Institute for Neuroscience & Human Behavior, Los Angeles, CA  
Medical Psychology Assessment Center, David Geffen School of Medicine

*Chief Fellow – 2020-2021*

*Director of Training:* Robert Bilder, Ph.D., ABPP-CN

*Primary Supervisor:* Patricia Walshaw, Ph.D.

**Doctor of Philosophy, Clinical Psychology (APA Accredited) 2019**

**Major Area of Study in Clinical Neuropsychology**

University of Houston, Houston, TX

*Dissertation:* Relationships between PTSD symptoms, deployment-related injuries, and neuropsychological outcomes among OEF/OIF/OND Veterans.

- *Committee Co-Chairs:* Ricardo Jorge, M.D., Paul Massman, Ph.D.
- *Committee Members:* Steven Woods, Psy.D., Matthew Gallagher, Ph.D.

**Predoctoral Internship in Clinical Psychology (APA Accredited) 2019**

**Clinical Neuropsychology Track**

VA Connecticut Healthcare System—West Haven, West Haven, CT

*Director of Training:* John Beauvais, Ph.D.

**Master of Arts, Clinical Psychology (APA Accredited) 2017**

**Major Area of Study: Clinical Neuropsychology**

University of Houston, Houston, TX

*Thesis:* Evidence for clinical utility of neuropsychological data despite performance validity failures.

- *Committee Co-Chairs:* , Paul Massman, Ph.D., Nicholas Pastorek, Ph.D
- *Committee Member:* Steven Woods, Psy.D.

**Bachelor of Arts, Neuroscience 2010**

Skidmore College, Saratoga Springs, NY

*Advisors:* Denise Evert, Ph.D., Flip Phillips, Ph.D.

**CLINICAL EXPERIENCE**

---

**UCLA Medical Psychology Assessment Center (MPAC) 9/2019–9/2021**

Semel Institute for Neuroscience and Human Behavior

*Adult Neuropsychology Postdoctoral Fellow, Chief Fellow (2020-2021)*

*Preceptor:* Linda Ercoli, Ph.D.

*Supervisors:* Patricia Walshaw, Ph.D., Robert Bilder, Ph.D., ABPP-CN, Susan Bookheimer, Ph.D., Steven Castellon, Ph.D., Linda Ercoli, Ph.D., Charles Hinkin, Ph.D., ABPP-CN, Judith Leone-Friedman, Psy.D., Roger Light, Ph.D., ABPP-CN, Maura Mitrushina, Ph.D., ABPP-CN, Helena Rad, Ph.D., Jeffrey Schaeffer, Ph.D., ABPP-CN, Diane Scheiner, Ph.D., Philip Stenquist, Ph.D., Paola Suarez, Ph.D., Nicholas Thaler, Ph.D., ABPP-CN, Robert Tomaszewski, Ph.D.

*Description:* Two-year clinical neuropsychology postdoctoral fellowship designed to meet all requirements to be eligible for external certification in Clinical Neuropsychology by the American Board of Professional Psychology and the American Board of Clinical Neuropsychology (ABPP-CN). Didactic and educational opportunities follow the Division 40 and Houston Guidelines for training in neuropsychology.

**Veterans Affairs Connecticut Healthcare System—West Haven**

**7/2018–6/2019**

*Predoctoral Internship in Clinical Neuropsychology*

*Supervisors:* John Beauvais, Ph.D., Joseph Kulas, Ph.D., ABPP, Valerie Weisser, Ph.D., Jason Johannesen, Ph.D., Howard Steinberg, Ph.D., Lynette Adams, Ph.D.

*Major Rotations:* Neuropsychology Clinic, Outpatient Mental Health Clinic

*Minor Rotations:* LGBT Mental Health, Cognitive Skills Clinic, Stroke Clinic

**Graduate and pre-graduate training:****UH Clinical Psychology Practicum Student****12/2017–5/2018**

Neurocognitive Disorders Center, UT Health Science Center

*Supervisor:* Christina Burrows, Ph.D.

*Description:* Co-organized and designed intervention programs for neuropsychological populations; led cognitive rehabilitation groups for older adults with mild neurocognitive disorder; led cognitive behavioral therapy for insomnia (CBT-i) groups for adults with insomnia and comorbid psychiatric and neurological disorders.

**Clinical Research Coordinator****4/2016–6/2018**

Translational Research Center for TBI and Stress Disorders (TRACTS)

Michael E. DeBakey VA Medical Center, Houston, TX

*Supervisor:* Ricardo Jorge, MD.

*Description:* Administered neuropsychological and psychological tests to OEF/OIF/OND Veterans; analyzed data for publication in peer-reviewed journals and presented research at local and national conferences. TRACTS is a multi-site study examining the psychological, genetic, and physiological factors among U.S. Veterans of recent conflicts in Iraq and Afghanistan.

**UH Clinical Neuropsychology Practicum Student****9/2016–9/2017**

Houston Methodist Neurological Institute &amp; Methodist Concussion Center

*Supervisors:* Kenneth Podell, Ph.D., Mario Dulay, Ph.D.

*Description:* Conducted clinical interviews; administered and scored neuropsychological and psychological tests; wrote integrated reports for adult patients with stroke, dementia, ALS and other movement disorders, TBI, tumor, severe psychiatric illness, and normal pressure hydrocephalus. 75% of patients were seen in outpatient clinics, while the remaining 25% were inpatient.

**UH Clinical Psychology Practicum Student****9/2016–8/2017**

Harris County Federal Department of Corrections, Houston, TX

*Supervisor:* Daniel Fox, Ph.D.

*Description:* Provided individual and group psychotherapy with a highly diverse population of male and female inmates in a federal detention center. Cognitive-behavioral techniques were utilized to address a variety of psychopathology, including mood and anxiety disorders, PTSD, anger and behavioral management, and personality disorders.

**Clinical Research Coordinator****4/2014–9/2016**

BRAVE Trial, Michael E. DeBakey VA Medical Center, Baylor College of Medicine, Houston, TX

*Supervisors:* Harvey Levin, Ph.D., Nicholas Pastorek, Ph.D.

*Description:* Administered a comprehensive neuropsychological test battery at three time-points to a cohort of OEF/OIF/OND Veterans with a history of TBI for The BRAVE Trial, a multi-site, D.O.D.-funded clinical trial examining the efficacy of a cognitive training program.

**UH Clinical Neuropsychology Practicum Student**

**9/2014–8/2015**

TIRR Memorial Hermann, Houston, TX

*Supervisors:* Margaret Struchen, Ph.D., Corwin Boake, Ph.D.

*Description:* Neuropsychological assessment in an inpatient rehabilitation setting. Assessed and monitored levels of consciousness in patients in vegetative and minimally conscious states through the Disorders of Consciousness program; collaborated with clinicians in other disciplines (physical therapy, occupational therapy, speech therapy); provided feedback to patients and family members; assisted in design and implementation of behavioral plans.

**UH Graduate Student Clinician**

**8/2014–9/2015**

University of Houston, Psychology Research and Services Center

*Supervisor:* Robin Weill, Ph.D.

*Description:* Provided outpatient individual and group psychotherapy for adults at a community clinic serving an ethnically diverse population of primarily low-income individuals; utilized cognitive-behavioral techniques for treatment of mood and anxiety disorders.

**Research Assistant**

**4/2012–8/2013**

Boston Attention and Learning Lab, VA Boston Healthcare System, Harvard Medical School

*Supervisors:* Joseph DeGutis, Ph.D., William Milberg, Ph.D.

*Description:* Research primarily focused on attention impairments and novel cognitive training programs in US Veterans with PTSD and TBI. Additional research collaborations with the Vision Sciences Lab at Harvard University examining face recognition and memory.

**Research Assistant**

**9/2011–3/2012**

Center for Translational Cognitive Neuroscience (CTCN), VA Boston Healthcare System, Boston University Medical School, Boston, MA

*Supervisor:* Andrew Budson, M.D.

*Description:* Research characterizing memory in older adults with neurodegenerative disease through neuropsychological assessment and electroencephalography (EEG).

**Neuropsychological Assistant**

**9/2010–4/2012**

Boston Neuropsychological Services (BNS), Needham, MA

*Supervisors:* Kevin Domingos, Ph.D., David Wolff, Ph.D.

*Description:* Edited neuropsychological evaluation reports; scored neuropsychological protocols; revised practice policies and procedure manual and HIPAA confidentiality forms; prepared billing and evaluation records for an insurance company audit for BNS, a neuropsychology private practice.

## TEACHING AND FELLOWSHIPS

---

**Coordinator and Lecturer**, UCLA Neuropsychology Extern "Boot Camp." **Summer, 2020**  
Organized and coordinated a nine-week course overview of the foundations of clinical neuropsychology for the departmental graduate externship program.  
*Courses:* Basics of Clinical Neuropsychology; Introduction to Neuroanatomy (2-hour lectures).

**Teaching Fellow**, University of Houston, Department of Psychology. **Summer, 2018**  
*Course:* Physiological Psychology (online).  
*Responsibilities:* Instructor. Prepared PowerPoint slides and readings for course material. Wrote and administered chapter quizzes and exams. Facilitated grading of final written assignment by a TA. *Class size=26 students.*

**Teaching Fellow**, University of Houston, Department of Psychology. **Spring, 2018**  
*Course:* Physiological Psychology.

*Responsibilities:* Instructor. Gave lectures of course material (3 days per week, 50 minutes). Prepared slides, study guides, and readings for students. Wrote and administered exams. Facilitated grading of final written assignment by a TA. *Class size=45 students.*

**Guest Lecturer**, University of Houston, Department of Psychology (2-hour lecture). **Fall, 2017**

*Course:* Introduction to Psychology

*Topic:* Neuroanatomy and the Central Nervous System.

**Teaching Assistant**, University of Houston, Department of Psychology. **Summer, 2014**

*Courses:* Introduction to Clinical Psychology, Physiological Psychology

*Responsibilities:* Graded papers, assignments, and exams.

**Guest Lecturer**, University of Houston, Dept. of Psychology (2- hour lectures). **Summer, 2014**

*Course:* Abnormal Psychology

*Topic:* Alzheimer's disease and other neurocognitive disorders.

**Teaching Assistant**, University of Houston, Department of Psychology. **Summer, 2014**

*Course:* Introduction to Clinical Psychology

*Responsibilities:* Graded papers, assignments, and exams.

**Teaching Assistant**, University of Houston, Department of Psychology. **Spring, 2014**

*Courses:* Introduction to Methods in Psychology (lecture and laboratory)

*Responsibilities:* Assisted students with research study proposals, grading exams and papers, reviewing class content with students, leading group discussion lectures.

**Teaching Assistant**, University of Houston, Department of Psychology. **Fall, 2013**

*Courses:* Psychology of Adolescence, Cultural Psychology

*Responsibilities:* Graded papers and assignments, proctored and graded exams.

## LEADERSHIP ACTIVITIES AND AWARDS

---

**I CARE Award for Outstanding LGBT Veteran Service** **10/2019**

Awarded by the U.S. Department of Veteran Affairs for organizing an outreach campaign to advertise transgender healthcare, mental health, and social services offered by the VA.

**Psychology Service Diversity Committee** **7/2018–6/2019**

VA Connecticut Healthcare System—West Haven

**LGBT Committee** **7/2018–6/2019**

VA Connecticut Healthcare System—West Haven

**Co-Founder and UH Student Representative** **12/2014–8/2016**

UH Branch of the Association of Neuropsychology Students in Training (ANST)

*Description:* ANST is the trainee organization of the Society for Clinical Neuropsychology (SCN), Division 40 of the American Psychological Association (APA). As Co-Founder of the ANST Interest Group at UH, I established UH as a site among the greater network of participating training sites around the country with the goal of bringing the resources of ANST to UH students in the Clinical Neuropsychology (CN) specialization, and to help connect UH students with networking and training opportunities. Another chief goal was

to create events to aid in dissemination of important information regarding career and training prospects and the internship application process.

**University of Houston Psi Chi Psychology Club Graduate School Panel** **5/2014**

Invited panelist for discussion of graduate school with undergraduate psychology majors.

**University of Houston Graduate School Recruitment Fellowship** **2013–2014**

Awarded competitively.

**CURRENT PROFESSIONAL AFFILIATIONS**

---

American Psychological Association (Division 40: Neuropsychology)

International Neuropsychological Society (INS)

Society for Clinical Neuropsychology (SCN)
